

You're Invited!

Laconia Conservation Commission invites you to the
**2nd
Countywide Input Session**

MAPPING for LAND CONSERVATION

A continuing discussion with other Conservation Commissions within Belknap County on how your town approaches and implements land conservation. This meeting will have a specific focus on town and city conservation mapping and planning. Here's your chance to learn of other communities' priorities and find opportunities for collaboration. This is not a formal presentation.

**BRING YOUR NATURAL RESOURCE INVENTORY
and/or CONSERVATION PLAN MAPS**

Why: Local Land Conservation and Inter-municipal Conservation Projects were identified by towns as topics of interest during the County Commissioners' 2010 Listening Tour. The first meeting took place on January 31st and the general consensus of the group was to continue meeting if there was a clearly identifiable objective.

Where: Belknap County Complex
34 County Drive (Commissioners' Entrance)
Laconia, NH

When: Monday, April 18th
Start Time: 6:30 PM
Snow Date: N/A (hopefully)

Registration: Please RSVP by
April 6th
