

Laconia Fire Department
Permit for Temporary Propane Tank Installations – Special Events

All temporary propane tank installations shall conform to NFPA 54, NFPA 58, Laconia City Ordinance, Chapter 195 and Appendix A.

Applicant must complete Sections 1 and 2 on the permit below with all of the required information.

Applicant must bring the completed permit, with payment, to the Laconia Central Fire Station located at 848 North Main Street during normal business hours and prior to beginning operations.

For vendors arriving during the weekend please contact the Laconia Fire Department Fire Prevention Office at 603 524-6881 for additional information.

Cash cannot be accepted outside of normal business hours for any fire department fees.
