Vinnie Boulanger called and said he was going to be having a bike show with vendors at the Expo Center 1 day during Bike Week and he was asking the board for a lower fee for the event instead of the full price fee for the whole week, The Board is not allowed to waive fees for Bike Week and suggests that he approached the City Council.  
The License Clerk will notify Mr. Boulanger.

Care & Comfort nursing called the License Clerk and ask for her to bring to the board their thought of what types of licenses would be needed if they were to accept donated prom dresses to have teens purchase at the lower cost so they could attend a prom and all the proceeds would be donated to the children's auction. The Board said that since this is not part of their regular business they would be required to get an Itinerant Vendor license when the time comes.

The License clerk will notify Care & Comfort on what is required.

Old Business- the License Clerk notified the Board that she sent out notification to the two Pawn Shops in Laconia of the License requirements enforcing the new Pawnbrokers Ordinance and that they were due back by the end of January and she hasn't heard anything back from them yet.
